WHERE LEGENDS ARE MADE

How are Students Billed?

- All billing occurs through the student financial account at ***myBama.ua.edu***. Paper bills are not mailed.
- Students and Authorized Users are notified when bills are available via email.
- The student's email address for University official business is the @crimson.ua.edu.
- Students can opt in for text messages and add an alternate email address.

Why Do I Need an Authorized User Account?

Authorized User accounts must be set up by the student and are REQUIRED for our office to discuss the student's financial information.

- Users will receive communications from Student Account Services and can view the student's financial account, make payments, and enroll in payment plans.

Billing Process

- Action Card privileges will not work until payment has been made in full or enrollment in a payment plan for the term has been completed. Privileges include student health center visits, rec center access, athletic/sport event access, and dining dollars.
- Class schedules will be cancelled as a result of a student not paying their account balance in full or enrolling in a payment plan by the due date.

When are Financial Aid/Scholarships/3rd Party Payments Applied to the Account?

- When students are awarded aid they must accept the award and fulfill any other requirements, such as signing a promissory note.
- Once Financial Aid, UA Scholarships, and/or other outside resources are authorized, they will show as projected credits to reduce the student's account balance.
- Non-UA scholarships will be applied to the student's account when payment is received.

Payment Deadlines

- Fall – Bill will be available on July 17th and the payment due date is August 10th at noon.
- Spring – Bill will be available on November 15th and the payment due date is December 11th at noon.
- Summer – Bill will be available on April 15th and the payment due date is May 10th at noon.

Payment in full or payment plan participation is required no later than noon on the due dates above to prevent schedule cancellation.

Payment Plan Information

- First payment is due at enrollment.
- Payment Plan fee is \$30 and due at time of enrollment.
- Payment plan installment dates are fixed dates. If a payment plan due date falls on a weekend or holiday, plan enrollment and payment deadlines will be extended to the next University business day.

Frequently Asked Questions

- What is the access granted course material charge and why is my student being billed for it so late in the semester?
 - Access granted course materials can be an access code for homework or online reading material. These are not charged to the student account until after the add/drop deadline for the semester. Students can opt out of the access granted course material through their Blackboard page.
- My student is not an engineering major. Why are there engineering fees on their account?
 - College and course fees are charged based on the student's schedule, not their major.
